Most people adorn their walls with art, which is why &tradition introduced Copenhagen in a smaller wall version. The compact size gives you multiple placement options. Use it as a cosy bedside lamp or try several to illuminate your hallway. Swivel the lamp left to right for more personal lighting possibilities.

The satinised opal glass shade ensures a soft ambient light, while the dimmable LED feature allows you to adjust the light effect from cold white light known for an energy boost to a warmer white light for a calmer, cosier feeling. A technology reflecting Nobel Prize findings on our biological clock and consequently the effects of light on our wellbeing.

For &tradition CEO / Founder Martin Kornbek Hansen, "The satin surface of the matte opal glass makes for a soothing ambience. At the same time, the iconic shape stands out as an object of desire in its own right. And the new dimmer gives you the option of personalising the light."

Wherever you place it, the Copenhagen wall lamp is destined to be a conversation piece.

27cm / 10.6in
Ø: 16cm / 6.3in

Base: Ø: 9cm / 3.5in

Product category	Wall lamp
Production process	The lamp shade is made from mouth blown opal glass and the base and stem are made from deep drawn and extruded metal.
Environment	Indoor
Material	Mouth-blown satinized opal glass & bronzed brass
Dimensions (cm/in)	Glass shade: Ø: 16cm/6.3in Base: Ø: 9cm/3.5in, H: 13cm/5.2in, L: 27cm/10.6in
Weight (kg)	0.9 Kg
Colours	Satinized opal glass, Bronzed brass
Voltage (V)	100-240V - 50Hz. With wall adapter output: 12V-1000mA
Light source performance & quality	Light output: 420 lumen Lumen/watt: 76 lumen/watt CRI: >85 Dimming & Color temperature (Kelvin): Dim-to-warm technology - 2200K-2800K
Dimmability	The light intensity can be controlled by the dimmer knob on the base of the lamp.
Light source & Energy efficiency class	5,5 Watt LED The luminaire is energy classe : A. The built-in LED module can't be replaced in this luminaire.
Approximate LED life-time	50.000 hours
Certifications	CE, IP20, Class II
Cord length (cm/in)	3.5cm/13.8in
Cleaning instructions	Clean with soft dry cloth. Always switch off the electricity supply before cleaning.
Package dimensions (cm/in)	H: 20.5cm/8in, L: 32cm/12.6in, W: 19cm/7.4in
