

Eliza Side Table

The Eliza Side Table is a space-saving nightstand finished in a high-gloss PU coating. Its distinctive polygonal front, resembling a baseball home plate, offers two styling options. It can be placed with the angled face front for a strong effect, or tucked neatly into a corner.

The dual-sided doors, fitted with push and pull hardware, ensure easy use on either side of your furniture, and the two open shelves provide convenient storage. This adaptable piece also functions well as a nightstand in a bedroom or a side table in a living room.
