

Elyse Floor Mirror - Mahogany

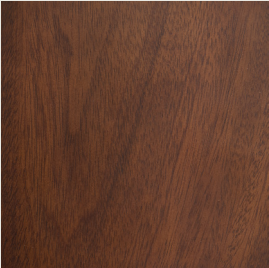

Elyse Floor Mirror - Mahogany features a bold, sculpted frame that creates greater visual impact than a standard framed mirror. Rounded rectangular form offers a fresh interpretation of a classic shape, while the soft transitions between curves create a fluid, architectural silhouette. The frame is visually divided into four sculpted sections, with decorative stainless-steel detailing that highlights each transition point. Organic grain patterns of the mahogany make each piece visually unique. This piece celebrates the beauty of natural wood craftsmanship.
