

## Les Vagues Chair

Born from the golden age of French design, these chairs carry the whispers of the 1950s—a time when form and elegance danced together. Each curve tells a story of artistry, where simplicity reigned and beauty found its way into every detail. Our chairs are a reflection of this era, weaving timeless grace into modern life.

Les Vagues captures the rhythmic motion of ocean waves. This perpetual motion not only creates a sense of dynamic fluidity but also imparts a timeless quality to the collection, where elegance and form are in constant, graceful motion.
