

Peyton Reclaimed Teak Dining Table

The Peyton Reclaimed Teak Dining Table, which features an oval tabletop set on two wooden bases crafted from reclaimed teak, is the perfect balance between luxury and sustainability. The hand-applied Mortex coating on the tabletop, a multifunctional decorative finish developed in Belgium that offers a mineral appearance similar to waxed concrete, smooth concrete, and Tadelakt, makes it highly resistant to stains, scratches, and moisture.

Product Highlights

- Made from reclaimed teak, this piece is sustainable, durable, and rich in natural character.
- Subtle variations in tone and texture celebrate the handcrafted nature of this piece, giving each table its own unique personality.
