Porti Braided Lamp

Reinterpreting the form and function of a lantern, the Porti Braided Lamp is a versatile and portable lamp that can be used in a multitude of settings. Emitting a soft and warm light, the lamp features a braided rattan shade that rests on a slender metal frame, resulting in a charming mix of tactility and sleekness. The lamp base features a hover touch function that enables you to control the light intensity as well as turn the lamp on and off with just a gentle touch or tap, and adjustable feet that help you to align the lamp on uneven surfaces.

Life is full of contrasts

As we navigate expectations and dreams in the search for meaning and comfort, we long for a balanced life with room for chaos and calm, moments of reflection and times of joy. A place where we can be ourselves, realise the true value of things and feel at home.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.

Welcome home.
